SAPSASA Boys Football

**Monday 20th August**  
Book Week Commences

**Wednesday 22nd August**  
Book Week Fair breakfast

**Friday 24th August**  
Book Week Parade

Dear Parents,

Welcome to the final newsletter of what has been a very busy but positive term. I would like to start with some great news. Shane Cowey has been appointed as Deputy Principal of the school for the next five years. Shane is both thoughtful and personable and I congratulate him for the great outcomes that he has achieved as a classroom teacher; I am looking forward to what he now offers long term as a leader. Ms Ollino has been Shane's replacement for the first six months of the year and she will continue in this role for the remainder of 2018. Ms Ollino has done an excellent job in the classroom and we are lucky to have her for the remainder of the year.

Some other big news includes two staff members being nominated by members of the school community for the South Australian Public Education awards which have just closed. Mr Lee Murray and Ms Kristi Ollino have both been nominated and the awards recognise and showcase excellence in the Public Education system. Mr Murray has worked in the Jacaranda Unit for a number of years and has been outstanding in his contributions towards students with disabilities. Ms Kristi Ollino is new to our school this year and it has not been hard to recognise her talent and hard work as a teacher. Congratulations to both teachers; the nominations are well deserved.

There is a lot to report in this final newsletter for the term and I would like to take this opportunity to thank our current Governing Council Chairperson Cheryl Watson. Tonight is Cheryl's last Governing Council meeting as Chairperson. Cheryl is moving out of the area and will no longer be a parent at our school. Cheryl has been involved with the Salisbury Park Community in one way or another for over 20 years and will be sorely missed. On a personal note I want to thank Cheryl for her contribution over the years. Cheryl has always had a common sense approach with the needs of our students at the forefront of her thinking. Cheryl, you have always been a strong advocate for our community so thank-you for everything and good luck with your future endeavours; you will always be welcome here.

Another thankyou and farewell is warranted. Callan Govett, current Out of School Hours Care Director, who has been a long standing member of our community will also be leaving at the end of this week. Callan is about to be a father for the first time and is looking for a fresh start out of the OSHC field where he can sleep in past 5.00 a.m. Callan has also provided great service to our school community as a School Chaplain and School Support Officer in a range of classrooms and as the amazing Quiz Night host for a number of years. Callan is respected and well- liked by students, staff and parents alike and has gone out of his way to make a positive impact on our community over the years. We will miss you Callan but we wish you and your family only the best as you move into this next phase of your life. I would like to take this opportunity to welcome Neil Kennedy to our community who has been appointed as the new OSHC Director. Neil has been busy working with students and meeting the parents this week so pop in and say hi.

Finally, Mid-Year Reports will be sent home tomorrow afternoon. If you have any queries or questions please don't hesitate to see your child's classroom teacher. Take the time to sit down with your child and go through their school report as it will mean a lot to them. Have a safe and happy holiday and thank-you for contributing to our recent school charity drive to support the homeless with your winter donations; you are an amazing community.

Take Care, Graham.

## ***Literacy and Values Award Winners***

Students are recognised each fortnight for their excellence in a number of learning areas.

Teachers will nominate students who have displayed excellent work in Literacy, and in their modelling of our school values of: ***Respect, Honesty, Belonging and Fairness.***

## **Nationally Consistent Collection of Data**

School Students with Disability

### **Nationally Consistent Collection of Data on School Students with Disability (NCCD)**

All schools are required to collect information about the numbers of students that they provide adjustments to under the Disability Discrimination Act (1992) and Disability Standards of Education (2005). From 2018, this data will be used as the basis for national funding.

The NCCD involves the collection of;

The number of students receiving adjustments to enable them to participate in education on the same basis as other students

The level of adjustment provided to students

Student's type of disability if known

Under the model the definition of disability is broad and includes learning difficulties, health and mental health conditions.

If your child is identified for inclusion in the Collection, the required information will be included in this year's data collection.

If you have any questions about the data collection, please contact Shane Cowey on 8281 6422.

Further information can be found at:

<http://www.education.gov.au/nationally-consistent-collection-data-school-students-disability>.

# **GIRL'S FITNESS**
