

1st February 2022

Dear parents/caregivers,

**Further information for Learning at Home and Learning at School
February 2nd – 12th**

We thank you for your continued support and cooperation as we commence the blended learning model tomorrow, with some students learning at home and some learning at school, as directed by the Department for Education. We have been working diligently to prepare a smooth start to the year for all students. Please see the table below for specific information regarding your child's class. There are also a few reminders regarding the risk minimisation processes in place at school to reduce the likelihood of COVID-19 transmission within the school community, in line with directions and advice from the Department for Education at SA Health. We look forward to working with you and your child as we navigate the beginning of the 2022 school year together.

Packs: Learning at Home

Learning packs for students Learning at Home can be collected from school today (Tuesday) between 12-3:30pm and from 8am to 3:30 Wednesday 2nd. The packs will be outside the front office on trestle tables arranged alphabetically by surname.

Learning from Home/Learning at School Arrangements

	J03	Lee Murray	<p><u>Learning at Home</u> If you have indicated that you would prefer hard copies of work for your child, Learning packs to be collected from school. Additional learning will be uploaded to Seesaw.</p>

Drop Off/Pick Up

Please refrain from coming into classrooms for drop off/pick up, as we need to keep the number of adults inside buildings to a minimum. We ask you to drop your children off to the gate/yard in the morning, and pick up from the same location. We will be outside to support new Reception students in the mornings, and will ensure they find you at the end of the day.

Illness

If your child is unwell please keep them home, as per current SA Health advice. If students attend school visibly unwell, they will be sent home.

If you have any questions or concerns, please contact the class teacher for further information regarding learning or the office for any other information. As new information becomes available, or if there are any changes, be assured we will communicate these with you.

Warm regards

Shane Cowey
Principal

Morwenna Stanford
Deputy Principal
