Governing Council Report

2024 marked our 50th year as a school, a milestone that highlights our long-standing commitment to establishing foundational literacy and instilling community values in hundreds of children, many of whom are now respected elders within our society. On the 26th of September we held our School Concert. The students delivered performances with style and vigour, but my personal favourite was the teachers' surprise closing performance. How they found the time to rehearse while balancing their daily responsibilities is beyond me! Other key events throughout 2024 included Harmony Day, Book Week, Sports Day, the Halloween Disco and our 50th School Reunion and Fete. A big thank you to the Fundraising committee, who worked hard this year, raising money for this year's jam-packed schedule of special events. 2024 also saw the school launch its renewed values: Respect, Honesty, Fairness, and Belonging. As a proud parent and member of the Governing Council, I'm thrilled to see our school rally behind these unifying values. These principles will serve our children as they grow into trusted leaders for future generations of Australians. I would like to acknowledge and thank our front office staff, who work tirelessly to ensure smooth operations across the school. As always, we are deeply grateful to our dedicated teachers and SSOs, who work closely with our children every day. Finally, I want to highlight this year's Year 6 Graduation ceremony and the wonderful presentation of songs and images, carefully selected by each child. It was a thrilling window into the personalities of our Year 6 students, and a wonderful testament to the teamwork of parents and staff in shaping the amazing individuals they have become. We wish them every success in high school. As the saying goes, 'It takes a village to raise a child.' The Governing Council is proud to be part of your special village and wishes everyone a very happy and prosperous 2025.

Attendance Comment

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.
