

Principal Report

Dear Parents/Caregivers,

Welcome to Term 1.

We have some students here at school, some working from home and some families stuck in isolation – all in all quite a crazy start to the new school year! Our teachers are balancing supporting the students at home with the students they have face to face in the classroom, please reach out to them via phone, Seesaw, Google Classroom (Year 5/6) or email if you need any help or support. Please contact them if you are running out of work at home. The Department's Our Learning SA website <https://www.education.sa.gov.au/our-learning-sa> has some amazing additional resources if you need them as well.

I would like extend some warm Salisbury Park Primary welcomes to Morwenna Stanford as our new Deputy Principal, Charlie Liebing (Year 2 teacher), Nipuna Hanarasinghe (Jacaranda 2) and Maria Santucci (SSO) Welcome back to Emma Thompson (Year 2) and Jordan Dickie (Health/PE), both returning to us from maternity leave. I would also like to welcome our brand new Reception students and all of the other new students who have started with us across the school.

Due to current COVID guidelines set for us by the Department for Education we have had to pause all community/school gatherings and excursions. We have decided to cancel our Week 6 Junior Primary Swimming program and I am hoping that this can be rescheduled to later in the year. Our Pupil Free Day has been rescheduled for a second time to Thursday the 17th of March. We are also hoping to be able to get a new date asap for our Traffic Monitor Crossing training with SAPOL as the date we had for last week was cancelled due to COVID restrictions. It's all a bit messy but we will keep you informed as we go.

We have added a COVID section on our school's website for any updates that we get.

Thank you to all of you for being so supportive in these forever changing times – you are an amazing community to be a part of. I look forward to face to face learning resuming next Monday and seeing all of our students back at school!

Stay safe,

Shane

Dear Families,

To those I've met, thank you for welcoming me so warmly into the Salisbury Park Primary School community. To those I'm yet to meet, I look forward to connecting with you.

My family and I relocated here from Roxby Downs during the school holidays, where I worked as a leader at Andamooka Primary School, and then Roxby Downs Children's Centre. I have two teenage daughters, a partner, and two cats. Hopefully a puppy will be joining our family soon! We lived in Roxby for 9 years. It's lovely to live so close to the beach now.

I'm very happy to be a part of Salisbury Park: I already feel like I belong here. I can't wait to get to know each and every one of your children, and become part of their primary school journey. If you see me around, say hi!

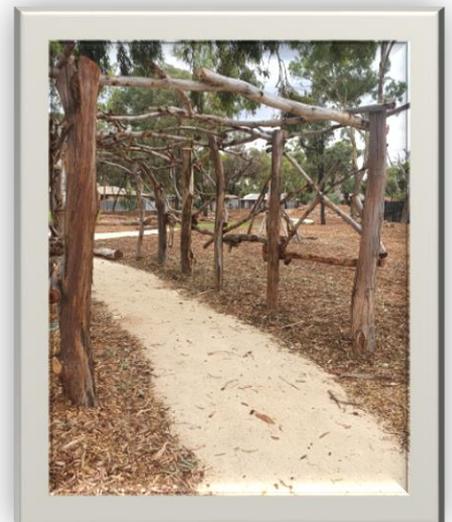

Warm regards,

Morwenna
